

LOW Associates Windows Accounting System

Financial System

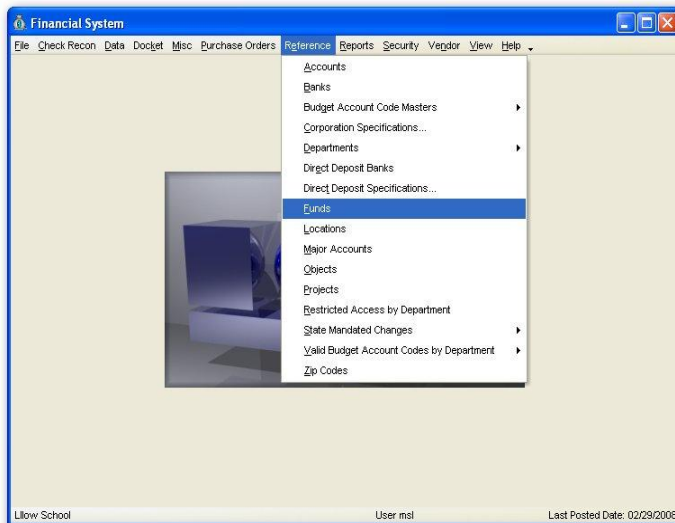

Since 1975, Low Associates has provided the most comprehensive and affordable software available.

From Networks to single-user systems, our quality and support are unmatched.

Our windows line of products continues the tradition of excellence.

The financial system is a component of the comprehensive Low Associates accounting suite of products. The system completely automates the financial process.

- **Make informed, daily decisions with on-screen balance and detail information**
- **Process multiple accounting months at the same time**
- **Reports by any date span are available on screen at any time**
- **System alerts you of over expended or over encumbered accounts before writing checks**
- **Automated receipt writing**
- **Automated State Form 9**

- **On-screen purchase order history by vendor or purchase order number**
- **Allows partial payments of purchase orders**
- **Provides requisition entry responsibility at the department level with central office control of purchase order writing**
- **Investment Register**
