

LOW Associates Windows Accounting System

Since 1975, Low Associates has provided the most comprehensive and affordable software available.

From networks to single-user systems, our quality and support are unmatched.

Our new windows line of products continues the tradition of excellence.

Complete Control of Determining Your Organizations Budget From Year to Year

- Multiple years of history are retained for review
- Reports are available to assist in the preparation of the State Budget forms, including the State Supplemental Budget Estimate Form
- With our new Easy Wizard interface, All or Selected funds can be exported
- Once exported, appropriation transactions will automatically be created within the Financial System
